

A Social Story about Christmas

At Christmas time, school is closed.

I will stay home from school during
Christmas break.

I can use my calendar so I know when it will be Christmas.

I can use my calendar so I know when it will be time to go back to school.

I can send a letter to Santa to tell him what I would like to get as a present from him.

At home, we will put up decorations in our house.

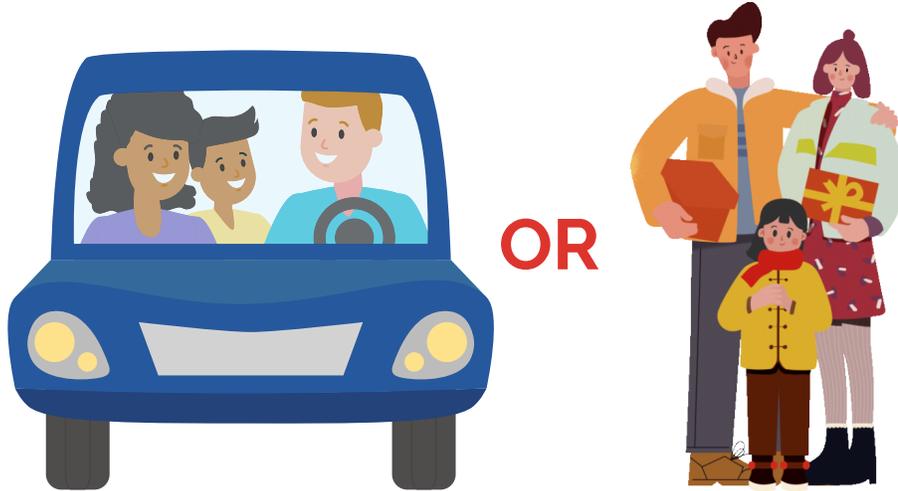

We will put up a Christmas tree,
decorate it.

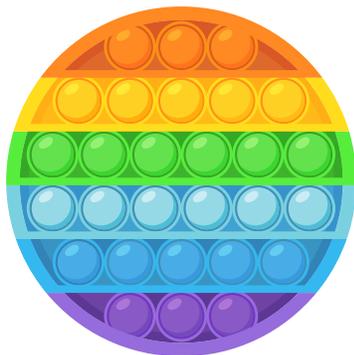

My family and I an wrap gifts for each
other and place them under the tree.

I may go to family and friends' homes to visit or they may come and visit at my house.

If it gets overwhelming I can use my calming strategies or ask my parents/family to help

I cannot open the presents under the Christmas tree until December 25th.

I may give and receive gifts and cards from family & friends.

If I do not like a gift I received or I already have it that's ok. I can tell my mom or dad when I get home.

On Christmas Eve, December 24th, I can leave out milk and cookies for Santa.

Santa will come in through the chimney or the door to leave more gifts under our tree.

On Christmas Eve I will go to bed early and not wake up until it's morning time.

Santa will leave more presents
under our Christmas tree.

In the morning when I wake up I can
open my presents with my family.
