Coronavirus Covid 19

Coronavirus can be called Covid19
Coronavirus is a new type of flu
A flu will make you feel sick
This is ok you will feel better soon

I can keep safe and clean if I regularly wash my hands

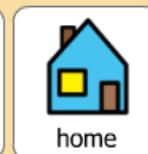

I will wash my hands before I eat
I will wash my hands after I sneeze or touch my nose or mouth
I will wash my hands after I have been to the toilet

I need to keep my friends safe
Keeping my hands away from others can keep them safe
Touching skin needs to wait till the virus has gone away

My school will close to keep us safe
Everyone will stay at home for a while
Staying at home will keep us safe

Like any other sickness Coronavirus will go away
I must talk to adults if I feel worried or scared
This is ok.
I will be safe
