

We Wish You A
*Merry
Christmas*
&
Happy New Year

All About Me

Getting to know our environment.

Building relationships with adults and peers.

Finding a love for reading.

Attention building and sharing.

Developing a sense of belonging.

Working together

Tolerance

Exploring choices and resources.

Engagement

Learning to communicate wants and needs.

Working alongside

Intensive interaction

Exploring ourselves

Working with an adult

Attending a workstation

Butterflies

Butterflies started this term off by enjoying getting to know and play with each other in the indoor and outdoor areas.

Our Autumn topic was 'All about me' and we explored our senses. We thought about how we keep ourselves healthy.

We used our senses to explore the resources. We handled and touched different textures, we moved around in the tyre park and we bathed the dolls and learned how to keep our teeth healthy and clean.

We ended the term exploring winter festivals and getting ready for Christmas.

Black History Month

Exploring seasonal changes

Looking after "me" and my body
Painting our body parts!

This term we have been learning through the topic **Myself** We have had lots of fun exploring our favourite things and learning in our classroom area.

People who are special to me

My thinking & problem solving

Have a lovely Christmas from Stacey, Coleen, Leanne, Jess and Alice

Exploring musical instruments

We have been working on our attention skills with daily bucket therapy

Our beliefs

Our environment

Heathy eating

Being kind friends

**Our topic this term has been all about 'Ourselves'
We have been leaning about...**

Problem solving

Our regulation

Making choices

The world around us

What makes us happy

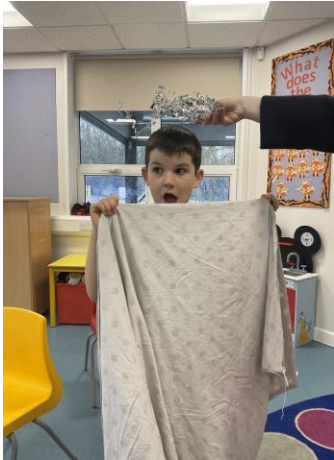

Wishing you all a Merry Christmas and a Happy New Year from Chantelle, Kelsey, Amy and Charlotte.

'All about me'

This term have been very special as we have been settling into our new school. We love our new playground and classroom. This term our topic has been exploring ourself. We have read the story 'Elmer' and explored how we are all different but we are all special. We have also read 'When I grow up' and explored different types of jobs. We have explored photos of each other and our families. We have spent lots of time exploring ways to stay healthy and look after ourselves. We have had a wonderful term filled with so much fun! We hope you have a wonderful Christmas love from Niamh, Kayleigh, Alicia and Paige.

This term Squirrels topic has been 'Superheroes'. We have enjoyed both stories this term 'Supertato' and 'Traction man'. Squirrels class have enjoyed various activities including creating their own 'Supertato' characters and designing a cape for Traction man. Our highlights this term have been, dressing up clothes including superhero costumes, we have looked at various celebrations during RE lessons and forming friendships when we have had our PHSE lessons. During music lessons we have been learning how to play familiar songs including 'Twinkle, twinkle little star'. Educational visits have included trips to the park and more recently our Christmas trip to see Santa's grotto at the farm. Santa gave us all a gift and we got to meet and greet various farm animals. Squirrels favourite part of the trip was playing together in the park areas.

We wish you all a Merry Christmas and a happy new year from Emma, Beckie, Becca , Donna and Louise.

Exploring forces in Science

Eating with our friends

Daily dough disco

Sharing stories...

What makes us happy...

Our topic this term has been 'Superheroes'. We have read Supatato, Room on a Broom, Runaway Pea and Traction man in English. Every day is a busy day in Woodpeckers and we have lots of fun! Here are some of our learning activities...

Attention and sharing in Bucket sessions

Exploring instruments

Remembrance Day

Problem solving

Wishing you all a Merry Christmas and a Happy New Year from Cat, Sue, Taylor and Vicki

Kingfishers have had a very busy Autumn Term; we have had lots of fun learning all about our bodies and how we grow and change. We had a great time using our dental resources to understand how to keep our teeth healthy. We have been using the climbing frames in the hall during PE and we have loved our class story sessions. We have been on lots of trips, including visiting local parks, garden centers, the River Mersey and museums in Liverpool city centre. We have been very busy and are looking forward to the Christmas Holidays. The Kingfisher class team want to thank you for all your support throughout the term and we hope you have a very Merry Christmas.

Seals class have worked superbly well with all areas of their learning; exploring how the human body works, lots of tally marks and data gathering, science experiments and some fantastic Educational visits! Wishing Seals class family, a Merry Christmas & peaceful 2025!

Herons class have been very busy during the Autumn term. As part of our topic 'Water we have created sea pictures using oils, learnt about separating materials and retold our 'talk for writing' story 'Little Cloud'. Creatively we have also enjoyed our music lessons with our visiting teacher Chris as part of our wider curriculum we have enjoyed bus trips to a wide range of places including Churches, Mosques, parks and recycling centres. We are looking forward to a busy Spring Term after our Christmas break. *Wishing our friends and families the happiest of times during the festive period.*

Creative Development - designing and making our own fireworks!

Life Skills- learning all about Earth and Space.

Well done Hawks for a fantastic Autumn term! Here are some of our best bits...

Going to Chester Zoo and Blue Planet Aquarium.

Music with Chris.

Understanding my world and community- learning all about rivers and mountains.

We wish you all a Merry Christmas and Happy New Year!

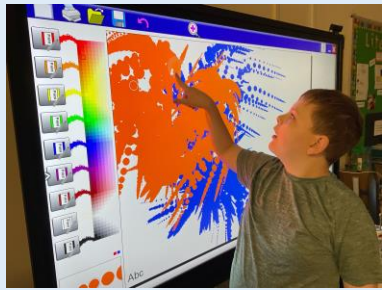

Communication and Language- sequencing and retelling the story 'I see the Sea'.

Thinking and Problem Solving- developing our knowledge of number, place value and calculation.

Otters class have been very busy this term! We have been learning that science is all around us! We have participated in many different science experiments linked to our senses.

We wish you a Merry Christmas and a wonderful New Year!
Thank you for your continued support! Love, Otters Class Team x

Owls have had a wonderful Autumn term; we've enjoyed making new friends, had lots of fun learning experiences and educational visits. We have been finding out about family trees, how our body works, light and sound. We learnt to play Christmas songs in music and have been active with Everton and Cheshire Cricket!

Wishing you all a very festive holiday, with love from the Owls team xx

ELSA has been in full swing this term. We welcomed new students to our sessions in September and we have worked hard on a range of areas. The sessions have kept the same format with regards to a 'hello and catch-up' and a 'feelings check-in'. We then work through a more tailored sessions for the individual pupils. The sessions always finish with fun games or meditation.

Our ELSA students this term have really enjoyed practicing Yoga and other mindfulness techniques.

Myself and Jody and excited for the new year with a new cohort of ELSA students and to take them on their journey.

Wishing you and your family a very Merry Christmas and a here's to a wonderful 2025.

If we can be of further assistance, please do not hesitate to get in touch.
