

Number Car Park

What numbers are on the cars? Can you park the cars in the matching numbered spaces in the car park?

The car park is represented by a grid of 10 rectangular spaces arranged in two rows of five. The top row spaces are numbered 1, 2, 3, 4, and 5 from left to right. The bottom row spaces are numbered 6, 7, 8, 9, and 10 from left to right. The left and right sides of the car park are decorated with vertical borders of green bushes and small orange and yellow flowers. The numbers 1 through 10 are each enclosed in a pink circle.
