

# A new Autism Strategy for Halton!

We would like to invite you to the launch of Halton's All-Age Autism Strategy.

The Strategy and accompanying Delivery Plan set out what we hope to achieve over the next three years and beyond to ensure that people with autism have the same opportunities as everyone else.

The Delivery Plan reflects priority areas for action as identified by young people and adults with autism who, along with their carers, families and key providers of services, have been closely involved in developing the Strategy and Delivery Plan through a series of events.

The launch event is taking place as detailed below and will be an opportunity to find out more about how the Strategy will be implemented and how you can play a part in improving the experiences of those living with autism in Halton.

There will also be information about the services that are available to support people with autism and their families in Halton.

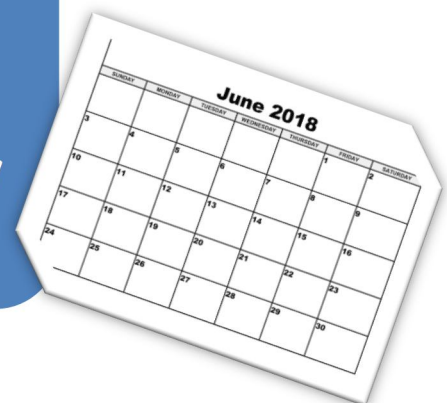

The event is open to all – professionals, people with autism, parents/families/carers of someone with autism – we look forward to seeing you...!

**Date: Wednesday 13<sup>th</sup> June 2018**

**Time: 9:00am to 12:30pm**
