The school supports my child's wider personal development	91%	2%	7%
My child has SEND and they get the support they need to succeed	98%	2%	

The final section of the school part of the survey asked the question **“The school would be even better if.....”**

Here are the suggestions and the school’s response.

The pool was not out of action at times.	We aim to have our pool up and always running. Unfortunately, as with all things that involve equipment and mechanics things do occasionally need repairing. We will only open the pool if it is 100% safe. On occasion we may have to close the pool for full back wash if there has been an incident in the pool so this may impact upon sessions running. Again this is purely for health and safety reasons as it is our priority to keep our children and staff safe at all times.
Email communication was individualised	Daily emails will contain a mixture of general information about the school day (e.g. tasks and activities the children have undertaken) and information personal to your child.
The new school was finished	<p>The Hallwood Park site is a long-term project. We only had access to the site to start any works in July 2024 and a huge piece of work was completed in a very short time to get the first 4 classroom areas refurbished and kitted out. The amazing new playgrounds have now been completed and the light room will be being installed next month.</p> <p>We will commence the second phase of works which will include a complete overhaul of the second part of our side of the building in 2026. This will include the development of 2 more teaching areas, office and staffroom space, therapy rooms and a new entrance.</p>
The school runs inclusive before and after school clubs	<p>Holiday provision is led by Halton Short Breaks Service and Halton Play Council, and we will signpost these activities plus all the other things run in the holidays locally. This is something that we will continually review.</p> <p>We offer 3 after school activity clubs each week. These operate on a rotational basis to enable us to offer to as many children as possible. There are also family swim sessions on a Monday and Friday after school.</p> <p>We are currently working with Halton to look at the development of a Wraparound Care local offer.</p>

I extend my thanks to those parents who provided responses to the surveys and hope that I have been able to address any issues raised. If you are still unsure or have any concerns, ideas etc. please do not hesitate to get in contact. Thank you also for the lovely feedback that was submitted. It is lovely to share with our staff team.

I am very aware that for some of these questions you may not know the answer for a range of reasons e.g., you have a very young child, your child is nonverbal etc. Regarding the question about how the school deals with bullying please follow this link to see a PowerPoint that shows all we do to prevent bullying from taking place. http://www.brookfieldsschool.com/website/anti_bullying/265115. Please also visit the policy and curriculum sections on our website for information about behavior management and curriculum.

I write to assure that you that the wonderful staff team at Brookfields and I will continue to work extremely hard to ensure that every child receives the very best education they can and thank you for your continued support with this.

Sara Ainsworth (Headteacher)
